Inclement Weather Policy

For Kid's Sake Early Learning Center (FKS) has great concern for the health and safety of parents, staff and children, as they travel to and from the center, particularly in winter weather conditions. For that reason, when Pinckney Community Schools are closed due to inclement weather or report a, "virtual learning day" because of inclement weather, dangerous temperatures, a power outage or other "disaster" beyond our control, FKS will operate on a delayed start schedule, opening at 10am.

You will be notified of a Delayed Start by checking the FKS Family Facebook page or by an email sent in our childcare software platform. On Delayed Opening days, parents will not be called.

When we have a delayed opening:

It's always pajama day and a special rated G-movie & popcorn will make the day special.

Lunch will be served at the usual times.

School-aged children wishing to come to FKS on an inclement weather day for hours they are not normally in attendance must message or text to check for availability.

Childcare will close at the regular closing time of 5:30pm. Please give yourself extra time to safely travel to FKS before 5:30pm

We worry about you & your child and ask that you please still send a message or a text if your child will not be at FKS for the day.

If the weather takes a turn for the worse, FKS may call parents to request an early pick-up.
